

13 March 1959

MEMORANDUM FOR: Comptroller

SUBJECT : Fiscal Support of NSA Project 25X1A2d1
REFERENCE : Memo dtd 5 Mar 59 to DD/S fr CIA COMINT Officer,
same subject

25X1A9a 1. The attached reference memorandum has been discussed 25X1A
25X1A with Mr. [REDACTED], Chief, Special Intelligence Staff/OCI, Extension 8592, who has this matter in hand. He tells me that Project [REDACTED] 25X1A2d1
25X1A is now costing approximately [REDACTED] per year and they want to expand it to [REDACTED] 25X1A
25X1A2d1 The suggestion in paragraph 4 of the reference memorandum regarding [REDACTED] has now been dropped as being too complicated. NSA wants to obtain straight support to [REDACTED] and may ask us to take over the [REDACTED] contract.
25X1A

25X1A9a 3. NSA has suggested that before any moves are made, particularly any approach to the Bureau of the Budget, which I told [REDACTED] is 25X1A9a
25X9A8 necessary in such cases, we should get in touch with their Comptroller, Colonel [REDACTED], who is the man most knowledgeable about this situation.

4. Please consider and advise me regarding the steps which we should take to answer the CIA COMINT Officer's question in paragraph 5 of the reference memorandum.

(signed) H. Gates Lloyd

H. Gates Lloyd
Acting Deputy Director
